
Encore Health Network is pleased to announce Rochelle Forrest, Account Executive

Rochelle has over 13 years of experience in the healthcare industry and has worked in the individual, small group, and large group markets. Rochelle has extensive experience in dealing with brokers, consultants and providers. Although she is excellent at new business development, she is committed to providing exemplary service and believes that is essential to building long term relationships. Nurse-by-trade, Rochelle is particularly excited about Encore's new health & wellness programs and how they can help Encore's clients improve health, contain costs and ultimately save money.

Rochelle Forrest joins Encore as an Account Executive responsible for the business development and sale / service of Encore's products and services through third party administrators, consultants, brokers and insurance carriers.

"I am very excited to join Encore and look forward to meeting you. I feel it is important to help you meet the needs of your current clients...and demonstrate that. By doing that, I hope that I can gain your trust and support so that you can gain additional clients, using Encore's products and services. I want to help you be even more successful. Your success will be my success. In the next few weeks I will be contacting you. I look forward to meeting you!"
