

Announcement

Encore is excited to announce the addition of St. Mary's Health System in Evansville, Indiana effective July 1, 2010.

Beginning July 1, 2010 All Encore Health Network members will be able to access St. Mary's Hospital and physicians in Evansville, Indiana as part of the Encore PPO network. Encore understands the importance of providing maximum choice to its members and achieving strong savings for its payer and employer customers.

In addition to Encore's already strong savings in the Evansville market, Encore PPO members will have access St. Mary's Health System, Including:

St. Mary's Medical Center
St. Mary's Warrick Hospital
120 St. Mary's Physicians
St. Mary's Ancillary Providers

With the addition of St. Mary's, Encore PPO members now have maximum choice with both major health systems in Evansville. Encore also offers maximum savings to payers and employers with a Deaconess Hospitals only option via its Encircle product. **You can choose which option is right for you.**

Contact your Encore Representative today to find out how Encore can help you.
