Encore Health Network

8520 Allison Pointe Blvd, Suite 200

Indianapolis, IN 46250-4299

For Inquiries Please Contact: SIHO Customer Service: (800) 443-2980

DISCLAIMER

The providers available through this application do not necessarily reflect the extent of the OneCare™ Network of participating providers. There may be providers which are not listed in this database that are part of the OneCare™ Network, and the availability of any providers listed herein is subject to change without notice. Providers may be contracted under different tax identification numbers and therefore, you should contact the provider directly to confirm participation in the OneCare™ Network. Encore does not accept any responsibility or liability for damages arising from the use or reliance on this information. As such, please contact the provider directly for the most accurate and up-to-date information. If you are unable to find the provider or specialty you are searching for, you may contact Encore at the toll-free number shown on your ID card.

Please be aware that the provider you select may not be available to all Encore clients due to certain network restrictions and/or individual benefit plan requirements. The OneCare™ Network is not an insurance company or claims administrator, and thus, we do not pay claims, determine eligibility, or make benefit determinations. As such, you should contact your health care insurer or plan administrator to verify your benefit information and availability.

The participating providers listed in this database are independent contractors, and are not agents or employees under the control of Encore. By using our Provider Lookup, you acknowledge and agree that the information contained herein belongs exclusively to Encore pursuant to federal and state law, and Encore reserves the right to take any civil, criminal or equitable action to enforce the terms of use described herein. By offering our Provider Lookup feature, Encore in no way endorses the use of a particular provider or health care professional's suitability for your medical needs.
