

## ENCORECONNECT.COM

Designed with our members in mind, encoreconnect.com provides the latest health care resources and offers the most up to date listing of doctors and hospitals participating in the Encore Health Network.

Encore knows members want to get the most out of their health network. Resources such as health assessment tools, patient safety links and hospital quality checks provide you with the tools to take control of your health. Members can also send an Encore customer service representative a quick question through our Ask the Expert tool.

All Encore physicians can be easily and conveniently found using our online provider search. Encore's online provider search allows you to search for a provider by name, specialty, city and state or zip code proximity. Search results can then be turned into your own customized directory.
