🔍 How to look up an Encore Health Network Providers 

Finding an Encore Health Network Provider is as simple as a point and click.

Encore understands that when you need to look up a physician and the office location and phone number, time really does matter. So instead of turning page after page in a print directory to find an Encore Health Network physician near you, make it easy on yourself. Just turn to Encore's Online Provider Directory at <http://www.keybenefit.com/lippertproviders/>. You can search by doctor name or medical facility – or even by ZIP Code. Hassle-free.

The Steps

1. Visit <http://www.keybenefit.com/lippertproviders/> to be directed to Encore's provider search page dedicated for Lippert Components employees.
2. Click on the logo on your ID Card.

3. The next pop-up will be the provider search box and you can begin your search. You can search for a provider by Name, Specialty, City, State, Zip and/or County.

If your provider is not in the network, please feel free to contact us at (888) 574-8180. We will work to recruit them.

For customer service questions, please contact the number listed on your ID card.
